Dear Eileen,

I hope this message finds you well.

I am currently working on finalizing my schedule for the upcoming 5th year and wanted to ensure that I am meeting all necessary graduation requirements. Though I am nearly certain that my planned courses will fulfill these requirements, I would greatly appreciate it if we could have a quick meeting to review and confirm this. I believe a 10-15 minute meeting should suffice. [Here](#) is a when2meet of my availabilities.

Looking forward to hearing from you soon.

Best regards,

Sahand Sean Ghaeli

Hi Sean,

Here are the program requirements which show incomplete in our database report:

APSC 278 and APSC 279 from 3rd year

Remaining from 5th year:

APSC 450

ELEC 302

ENPH 352

ENPH 479

the "one of" MATH 406, etc.

PHYS 403

PHYS 408

6 credits of tech. electives

Does this agree with your assessment?

Please contact Eng. Academic Services if you have any questions about first year or the comp. studies.

If you have any other questions or concerns, we can schedule an appt. or I can help you in email.

Best,  
Eileen
